BANGALORE, C. S. BLAIR,
10th December 1867. for Dy. Acctt. Genl. of Mysore.

Circular No. 523

The following letter of the Commissioner of Issue of Paper Currency, Madras, No. 1616 dated 20th November 1867, is published, with a request that the Treasury officers in Mysore will direct the district treasurer and talook amildars to examine 10 Rupee notes of the old pattern very carefully when tendered at their Treasuries. Such notes should be returned to the Commissioner's Treasury through the district Treasury when irsals are sent, in order that they may be exchanged for notes of the new pattern.

BANGALORE, H. HUDSON,
DY. ACCTT. GENL'S. OFFICE, Dy. Acctt. General
27th November 1867. of Mysore.

No. 1616 dated 20th November 1867.

From—Colonel J. Carpendale, R. E.,
Commissioner of Issue of Paper Currency,

To—The Accountant General, Fort Saint George.

Sir,

I have the honor to bring to your notice that a forged Currency Note for Rs. 10 of the Calicut Circle was recently discovered in this office, in a tender of notes from the Bank of Madras, and that the forgery

was very well done, and the appearance of the note such that it would escape detection by an ordinary observer. I would, therefore, suggest the desirability of your cautioning all officers in charge of Government Treasuries to be particular in seeing the water-mark in the paper of every note they receive.

The forged note is of the old pattern. The issue of notes of the old pattern was discontinued by this office some months ago, and has also been discontinued at the circle offices, up country: and I would further suggest to you that officers in charge of Treasuries should be instructed as far as possible to avoid issuing any more of the old pattern notes, and to return those they have in deposit to the circle offices.

JUDICIAL

INSOLVENCY.

General No. 1906-246.

SUPERINTENDENT'S OFFICE,

NANDIDROOG DIVISION,

Bangalore, 26th August 1867.

To

The Offg. Judd. Commissioner in Mysore.

Sir,

I have the honor to submit herewith for your
orders a copy of the corres-
pondence noted in the margin
together with ten original or-
ders or decrees passed by
Captain Hill, in the case of
certain insolvents, and I would
beg to offer the following
observations for your consi-
deration.

2. I am not aware of
any local or special law or
ruling authorizing the insti-
tution of an Insolvent and
Bankruptcy Court in this divi-
sion: whereas it would appear
that Captain Hill, under the
authority supposed by him to
be conveyed in Mr. Saunders's
Circular No. 23 of the 23rd
August 1866, acted as if such courts should be instituted.

3. It is clear to me however, that the circular above
noted merely reiterated the instructions contained in
the late Commissioner's Circular of the 15th July 1843,
which had reference only to individuals already incarcer-
ated on account of judgment debts.

4. Mr. Saunders further directed in the above cir-
cular that the spirit of the provisions of the Abstract

Principles of Law for the Punjab, as laid down in Sections
9 to 15 and pages 51 to 53, should also be taken as a
guide: but on carefully reading the whole letter, I per-
ceive from the context that the Punjab Rules were only
intended to be used as a general guide, and were not in-
troduced as legal authority for precise action on the part
of the courts.

5. Under these circumstances, I have thought it
expedient to direct the discontinuance of the application
in future of the insolvent rules to any cases other than
those of incarcerated judgment debtors; and my object
in making this reference to you is to obtain your autho-
rity for the cancelment of Captain Hill's unauthorized
decisions already passed, should you see no objection to
the measure.

I have, &c.,

(Signed) J. L. PEARSE,

Offg. Superintendent.

No. 1151-238. MYSORE JUDL. COMR'S OFFICE,
BANGALORE, 15th September 1867.

To—The Offg. Superintendent, Nandidroog Division.

Sir,

I have the honor to acknowledge the receipt of your
letter No. 1906-246 of the 5th instant, intimating your
opinion that the Dy. Superintendent's Court has no au-
thority to make orders for the protection of insolvents
who have not been incarcerated; and requesting me to
authorize the cancelment of orders which have been pass-
ed for the protection of insolvents in certain cases by
Captain Hill.

2. Having looked at the circulars to which you
have referred, and at the "Abstract Principles of Law,"
I am disposed to concur with you in the opinion that
there is no law in Mysore, which would authorize the
issue of an order for the protection of an insolvent debt-
or from the annoyance of his creditors, except after the
arrest of the debtor's person. The work last referred to,
appears to go further, but it cannot be regarded as the
law of Mysore.

3. At the same time I am not prepared to reverse
Captain Hill's orders behind the backs of parties affected
by them and I think that Captain Lindsay had better
not have revoked certain of Captain Hill's orders by a
notice in the Gazette, which does not appear to have been
published after hearing the parties. It seems to me pre-
ferable that parties affected by erroneous decisions should
be left to take such proceedings as they may think proper,
upon which the law may be freely discussed, and the
error may be corrected after hearing what each party
has to say.

I have, &c.,

J. R. KINDERSLEY,

Offg. Judd. Commissioner.
